Notice to consult on draft Te Tapunui Queenstown Hill Forestry Management Plan 2025

PURSUANT TO SECTION 83 OF THE LOCAL GOVERNMENT ACT 2002, Queenstown Lakes District Council (QLDC) gives public notice of the draft Te Tapunui Queenstown Hill Reserve Forestry Management Plan 2025 for submissions. The QLDC Proposed District Plan Designation #374 authorises QLDC to carry out forestry operations in the area known as Te Tapunui Queenstown Hill Recreational Reserve. The draft Forestry Plan contains details on forestry access, public utility infrastructure, recreation, topography, hydrology, landscape, and existing vegetation and proposed future vegetation cover.

The removal of wilding conifers and the replanting on reserve land will have an impact on recreational experiences, trails, the visual landscape, neighbouring properties, and natural hazards; all while reducing wildfire risk and enhancing biodiversity.
