Summary of Submission That the Purpose of the General Industrial be amended to read as follows:

The purpose of the General Industrial Zone is to provide for the establishment, operation and long term viability of Industrial and Service, Office, Retail and Commercial activities. The Zone recognises the significant role these activities play in supporting the District's economic and social wellbeing by prioritising their requirements, and zoning land to ensure sufficient development capacity.

The Zone seeks to ensure a range of site sizes are available, including for Industrial, Service, Office, Retail and Commercial activities which require a range of buildings and site sizes for a range of activities. The role that ancillary Office, Retail and Commercial activities play in supporting Industrial and Service activities is recognised and provided for.

While the Zone seeks to provide for land uses which may be associated with noise, glare, dust, odour, shading, visual and traffic effects and other similar effects, it also seeks to manage activities and development to ensure that appropriate levels of amenity are achieved for people who work within and visit the Zone, and to avoid adverse amenity effects on land located outside of the Zone.

Summary of Submission	That the Purpose of the General Industrial be amended to read as follows: The purpose of the General Industrial Zone is to provide for the establishment, operation and long term viability of Industrial and Service, Office, Retail and Commercial activities. The Zone recognises the significant role these activities play in supporting the District's economic and social wellbeing by prioritising their requirements, and zoning land to ensure sufficient development capacity. The Zone seeks to ensure a range of site sizes are available, including for Industrial, Service, Office, Retail and Commercial activities which require a range of buildings and site sizes for a range of activities. The role that ancillary Office, Retail and Commercial activities play in supporting Industrial and Service activities is recognised and provided for. While the Zone seeks to provide for land uses which may be associated with noise, glare, dust, odour, shading, visual and traffic effects and other similar effects, it also seeks to manage activities and development to ensure that appropriate levels of amenity are achieved for people who work within and visit the Zone, and to avoid adverse amenity effects on land located outside of the Zone.
