

Marshal Information:

**Marshal point 1: Caroline.**

S.O Staff. Located at the end of the first straight after red station. Directing people to run to their right diagonally up the grass bank towards purple station. Sophie to tag Caroline in as tail end Charlie here. Let marshals and colour station know they can pack up as you go through.

**Marshal point 2: Ben**

S.O staff. Located right after purple station. Directing people back towards the start/finish area. This is a road crossing

**Marshal point 3: Ashleigh Lucas – (Volunteer)**

Located at the top of the path after the green station. Directing runners to their right across the bridge towards marshal 4. Can move to help James at marshal point 5 once all runners have been through (wait for the tail end Charlie in high vis vest).

**Marshal point 4: Nicole Anderson (Volunteer)**

Located at the end of the bridge, turning runners back around and across the bridge again. No runners should go past you.

**Marshal point 5: James Ward – (Volunteer)**

Located at the top of the path after runners have been across the bridge. Directing them back towards the blue station and finish line.
