### 25 Matters to be taken into account by Commissioner

- (1) In acting under this Part, the Commissioner must (to the extent that those matters are applicable) take into account—
  - (a) the objects of this Part; and
  - (b) the principles of the [Treaty of Waitangi](#); and
  - (c) if acting in relation to land used or intended to be used by the Crown for any particular purpose, that purpose.
- (2) In acting under this Part in relation to any part of the land held under a reviewable instrument or reviewable instruments, the Commissioner must take the objects of this Part into account in the light of—
  - (a) their application to all the land held under the instrument or instruments; rather than
  - (b) their application to that part of the land alone.
