MINUTE CONCERNING PROPOSAL TO EXTEND
AIRPORT MIXED USE ZONE

1. On 15 May 2017 the Hearing Panel received a memorandum from counsel for Queenstown Airport Corporation Limited (“QAC”) seeking directions regarding the scope of evidence that could be heard on the above matter. The same day I issued a Minute providing the Council and Remarkables Park Limited (“RPL”) the opportunity to comment on this issue by today.

2. This morning I received a joint memorandum of counsel for RPL, QAC and the Council advising neither QAC nor RPL seek to call further evidence or make further legal submissions concerning the proposed extension of the Airport Mixed Use Zone at Queenstown Airport, and that the Council will not provide any further comment or analysis on same proposed extension.

3. I thank the parties for consulting and providing the joint memorandum setting out an agreed position. I can confirm that the Hearing Panel will make its recommendations regarding the extent of the Airport Mixed Use Zone at Queenstown Airport based on the information it received as part of its Chapter 17 hearings in December 2016.
