The information will be stored on a public register and may be made available to the public on request or on the company's or the Council's websites.

FEES INFORMATION // CONTINUED

Invoiced sums are payable by the 20th of the month after the work was undertaken. If unpaid, the processing of an application, provision of a service, or performance of a function will be suspended until the sum is paid in accordance with section 36AAB of the Resource Management Act 1991. You may also be required to make an additional payment, or bring the account up to date, prior to milestones such as notification, setting a hearing date or releasing the decision. In particular, all charges related to processing of a plan change are payable prior to issuing of the decision. Payment is due on the 20th of the month or prior to the issue date – whichever is earlier. It is likely that the private plan change will require a hearing to hear submissions. Council may require you to pay a notification deposit and/or a hearing deposit. An applicant may not offset any invoiced processing charges against such payments.

If the initial fee charged is insufficient to cover the actual and reasonable costs of work undertaken on the application you will be required to pay any additional amounts and will be invoiced monthly as work on the plan change continues.
