Dear Karina, and parties,

The Schrantzes have confirmed their instructions that their interests do not extend into Topic 20 and therefore withdraw their interest from this topic, on the basis that the Schrantzes interest lie primarily in the Jacks Point Chapter 41 provisions and the Rural Residential and Rural Lifestyle provisions are not relevant to Jacks Point Chapter 41.

I apologise for the late notice of this withdrawal.

On this basis, the Schrantzes seek leave to be excused from attending the mediation.

Kind regards
James

Good Afternoon all,

Please see attached amended notice of mediation for Topic 20 – updating the list of parties.

The court confirms that parties who have withdrawn their interest in a topic or subtopic need not attend the relevant scheduled mediation.

Kind Regards,
