

Form 33

Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

To the Registrar
Environment Court
Christchurch

I, Aviation New Zealand, wish to be a party to the following proceedings:

- ENV-2018-CHC
- Specifically, the Appeal lodged by the Aircraft Owners and Pilots Association Incorporated

I am

- An organisation which has an interest in the proceedings that is greater than the interest of the general public.
- Aviation New Zealand was established in 1950 to encourage the safe development of aviation in New Zealand. We have 300 members spread across the aviation sector with a focus on commercial general aviation. In other words, our members are involved in aviation for commercial reasons rather than for enjoyment. A number of our members – tourist flight operators, agricultural operators, helicopter operators and some of our individual pilot members, are adversely affected by the proposals in the district plan.
- Aviation New Zealand made a submission opposing elements of the draft district plan in 2015.

I am not a trade competitor for the purposes of [section 308C](#) or [308CA](#) of the Resource Management Act 1991.

I am interested in part of the proceedings.

The part of the proceedings I am interested in are:

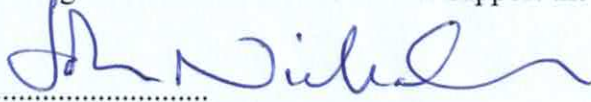

Chapter 21 Rural Zone

Chapter 36 Noise

Consequential relief Definition Chapter 2/ (Wakatipu Basin Chapter 24)

We support the Appeal lodged by the Aircraft Owners and Pilots Association (AOPA). We agree with the reasons for the appeal and the relief sought. A number of these points were included in our 2015 submission. Rather than reiterate points from that submission which would require further reading on the Court's behalf, we simply endorse the AOPA views.

I agree to participate in mediation or other alternative dispute resolution of the proceedings, noting that this would be to further support the AOPA view.
