1 Victoria and Revell Buckham (The Buckhams) wish to be a party pursuant to section 274 of the RMA to the following proceedings:

*Clive Manners Wood v Queenstown Lakes District Council (ENV-2018-CHC-000057)* being an appeal against decisions of Queenstown Lakes District Council on the proposed Queenstown Lakes District Plan (**PDP**).

2 The Buckhams made a submission about the subject matter of the proceedings.

3 The Buckhams are not trade competitors for the purposes of section 308C or 308CA of the RMA.

4 The Buckhams are interested in all of the proceedings.

5 Without derogating from the generality of the above, the The Buckhams are interested in the following particular issues:

- (a) The relief sought to reinstate all provisions of the Operative Plan relating to use of informal airports;
- (b) Application of the Operative Plan noise standards rather than the proposed averaging approach;
- (c) Relief sought to 'require all but infrequent landings of helicopters to require consent'.

6 The Buckhams oppose the relief sought because the relief:

- (a) Is not effects-based planning which is envisaged under the RMA, and is contrary to the intent of the introduced informal airport activity rules.
- (b) Does not apply the most appropriate noise measurement standards for infrequent airport activity use through the averaging approach.
- (c) Does not allow for site-specific planning and development to occur in order to achieve efficient and effective use of resources.

7 The Buckhams are willing to participate in mediation or other alternative dispute resolution of the proceedings.
