Pursuant to Section 274, Resource Management Act 1991

To The Registrar, Environment Court, Christchurch

NZSki Limited (**NZSki**), wish to be a party to the following proceedings:

- Treespace No1 Limited Partnership ('**ENV-2024-CHC-063**')

NZSki made a submission about the subject matter of the proceedings.

NZSki is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

NZSki is interested in all of the proceedings, with particular interest in the following issues:

- Any provision (including mapping) related to exception zones (including Ski Area Sub Zones), and activities related to exceptions zones but located outside exception zones (including for example renewable electricity generation and distribution infrastructure);
- Any changes to the preamble and landscape capacity ratings (including respective meanings, descriptions, and ratings); and
- The utility, effectiveness, efficiency and overall appropriateness of the landscape schedules in resource consenting and plan development processes.

NZSki generally supports the relief sought because it generally aligns with the relief sought in NZSki's original submission.

NZSki agrees to participate in mediation or other alternative dispute resolution of the proceedings.
