Planning an activity or event on one of our beautiful reserves?

Some events may require an **event permit**, **resource consent**, or a **licence to occupy**, depending on the nature and duration of your activity. We'll assess what's needed once we receive your request.

Here are a few key things to keep in mind (list not exhaustive):

- » **Amplified sound after 8:00pm** requires Resource Consent.
- » Events (including setup and pack-down) that run for **6 days or more**, or **40 days in a year**, will need a **Licence to Occupy**.
- » **Vehicles, structures, tents, marquees, or steel pegs** are not allowed on turfed areas without specific approval from QLDC. Turf protection may also be required.
- » There may be other permits or consent conditions depending on your event.

To find out what permissions you might need, please check out our [Event Organiser Handbook](#).
