A meeting may deal with an item of business that is not on the agenda where the meeting resolves to deal with the item and the Chairperson provides the following information during the public part of the meeting:

- (a) the reason the item is not on the agenda; and
- (b) the reason why the discussion of the item cannot be delayed until a subsequent meeting.

A meeting may discuss an item that is not on the agenda only if it is a minor matter relating to the general business of the meeting and the Chairperson explains at the beginning of the public part of the meeting that the item will be discussed.
