MINUTE REQUESTING COUNCIL CERTIFY DATA FILES

1. On 27 September 2017 we issued a Minute requesting those submitters that sought structure plans or other similar map amendments in Hearing Stream 13 to provide data sets of such amendments, suitable for inclusion in the Council GIS system, by 31 October 2017.
2. The purpose of this Minute is to request that on receipt of such data sets, the relevant Council reporting officer certify to us that the files received are consistent with the material placed before us by the submitter at the hearing (i.e. the most up-to-date version before us). If there are any differences these are to be identified.
