1 REIMBURSEMENTS TO ELECTED MEMBERS

This policy outlines the expenses and allowances entitled to elected members, ensuring compliance with the Local Government Act 2002 and the Remuneration Authority's determinations, and promoting transparency and accountability in the use of public funds. It applies to all elected members, including Councillors and Community Board members.

From time to time, elected members incur expenses on Council behalf which need to be reimbursed. Any expenses to be reimbursed must be on an actual and reasonable basis and in line with Council policy. Expenses that could be perceived as personal or unrelated to Council responsibilities should be avoided.

The rules which apply to the supply or cost reimbursement of elected members' communication and associated equipment are attached as Appendix 1 and 2.

Cost reimbursements will be made via the payroll system.

In implementing this policy, it is understood that all efforts will be made by management and elected members to minimise expense claims. For management, this will mean that meetings will be scheduled with a view to minimizing travel requirements, and for elected members it will mean that there is an expectation that vehicles will be shared wherever possible, and the use of Council vehicles or public transport is encouraged.

All expense claims require approval of the Democracy Services Team Leader prior to being processed by Council accounting staff.

2 MILEAGE ALLOWANCE

The Council will reimburse elected members for all qualifying mileage incurred whilst on Council business when the elected member is not provided with a motor vehicle by the Council. Council business for mileage allowance purposes is defined as attendance at:

- > Formal meetings, informal briefings, working parties called by the Council, Wānaka-Upper Clutha Community Board, Mayor, Chief Executive or Chair of a standing committee.
- > Conferences or seminar if attendance approved by the Council or Wānaka-Upper Clutha Community Board.
- > Official meetings of other bodies by the official Council appointee(s) to such bodies (includes appointments made by Wānaka-Upper Clutha Community Board) such as representation at a Community or Residents' Association meeting.
- > Events where the Mayor (or official delegate) is specifically invited to officiate in a formal capacity.

The policy requires all mileage undertaken by elected members on Council business to be recorded in the appropriate mileage claim form. This will need to be signed off and submitted for payment. Travel will need to be recorded in enough detail to allow the claim to be audited, and as a minimum will require details of the following:

- > Date of travel,
- > Purpose of the travel, e.g. Community Association meeting,
- > Distance travelled,
- > Who approved the travel (if attending a conference, seminar or training).

Reimbursement will be based on the mileage rates and thresholds as approved from time to time by the Remuneration Authority (*see Appendix 1: Remuneration Authority Vehicle Mileage Allowance*).

3 TRAVEL TIME

The Council will reimburse elected members (other than the Mayor) for eligible travel time. Travel time is eligible for reimbursement if the travel is for approved Council business*, undertaken by the quickest form of transport and most direct route that is reasonable in the circumstances. The allowance is not available for overseas travel.

- > The travel time allowance as of 3 June 2021 is \$40.00 for each eligible hour of travel time after the first hour of eligible travel time travelled in a day,
- > Up to a maximum of eight (8) hours in a 24-hour period.

If an elected member lives outside of the Council area or ward in which they are elected, travel time will only be eligible:

- > once the elected member has crossed the area or ward boundary, and
- > after the first hour of eligible travel within the Council area.

*For definition of **Council business**, please refer to the description outlined in section 2 of this policy: Mileage Allowance.

4 CHILDCARE ALLOWANCE

The Council will reimburse elected members for all eligible childcare expenses incurred while the member is engaged in Council business* up to a **total of \$6,000 per annum per child**. For childcare expenses to be considered eligible they must meet the following criteria:

- > The elected member is a parent or guardian of the child in care, or is a person who usually has responsibility of the day-to-day care of the child (other than on a temporary basis); and
- > The child is aged under 14 years of age; and
- > The childcare is provided by a person who:
 - Is not a family member of the elected member; and
 - Does not ordinarily reside with the elected member; and
- > The elected member provides a copy of the tax invoice as proof of amount paid for the childcare.

For the purpose of this policy, a **family member of the elected member** is defined as:

- > A spouse, civil union partner, or de facto partner;
- > A relative, that is, another person connected with the member within 2 degrees of a relationship, whether by blood or by adoption.

*For definition of **Council business**, please refer to the description outlined in section 2 of this policy: Mileage Allowance.

5 HOME SECURITY SYSTEM ALLOWANCE

Based on a security threat and risk assessment authorised by the Council and undertaken by an accredited member of the New Zealand Security Association¹, Council will reimburse the expenses of having a security system installed and monitored at a member's primary place of residence within the local authority area up to a maximum of—

- a) \$4,500 for installing the system; and
- b) \$1,000 in any year for monitoring, call-outs, and repairs.

A member may also be reimbursed for additional expenses for the provision of supplementary security measures at their primary place of residence within the local authority area if—

- a) the security threat and risk assessment recommends that those supplementary security measures be provided to the member; and
- b) the Remuneration Authority, on application from the Council, approves reimbursement of the additional expenses arising from the provision of those supplementary security measures.

6 OTHER EXPENSES

Meal costs of up to \$85 per day are permitted for all actual and reasonable meal expenses occurring during overnight travel required for Council business. Alcohol expenses are not reimbursed.

Reasonable expenses may be claimed by the office of the Mayor (or the Deputy Mayor where acting in the absence of the Mayor) for business meetings such as working breakfast or lunch where the Mayor is hosting official guests or dignitaries.

QLDC does not reimburse for membership of loyalty schemes related to travel or accommodation such as Air New Zealand Koru Club or hotel chain rewards schemes.

7 PROCEDURE FOR REIMBURSEMENT
