MAY IT PLEASE THE COURT:

1. This memorandum is filed on behalf of ZJV (NZ) Limited (**Ziptrek**) (further submitter 1370) and responds to correspondence on behalf of the Hearings Panel dated 27 July 2017, issuing amendments to the timetable for Hearing Stream 13 to the Queenstown Lakes Proposed District Plan.
2. Counsel understands the need to adjourn hearings and is able to appear at the revised allocated date of Monday 11 September, 4.30pm, alongside Ziptrek's planning witness Jeff Brown.
3. The revised timetable raises potential issues for Ziptrek's second witness Trent Yeo, however, who is expecting his first child in the coming weeks. Because of the uncertainty in the timing of this event, and subsequently Mr Yeo's availability in September, counsel respectfully requests:
 - (a) Advice as to whether or not the Panel has any questions for Mr Yeo; and if so
 - (b) Flexibility to enable Mr Yeo to appear at a date to be determined in September, in coordination with the District Plan administration team.
4. Should the Panel have any questions, Counsel do not expect that Mr Yeo will require longer than ten minutes of hearing time.
