

BOIL WATER

NOTICE

This notice affects all properties serviced by the Council's Queenstown supply including:

- Queenstown Town Centre (out to Industrial Place)
- Queenstown Hill
- Frankton Road and suburbs on the hill above Frankton Road
- Fernhill and Sunshine Bay
- Frankton, including Five Mile, Remarkables Park and Glenda Drive
- Quail Rise and Tucker Beach Road
- Kelvin Heights
- Hanleys Farm

Jack's Point is a privately operated water supply and is not affected.

A boil water notice is in place until further notice. If you live, work or run a business in an affected area please boil all drinking water for at least one minute (or use bottled water) for the following uses:

Drinking water
(including cold beverages, ice-making and coffee machines)

Food preparation
(including washing uncooked foods such as salad, vegetables, and fruit)

Preparing baby formula

Washing food utensils

Brushing teeth

Pets
