

## Notice of person's wish to be party to proceedings

Section 274, Resource Management Act 1991

**To:** The Registrar  
Environment Court  
Christchurch

- [1] I, Jim Ledgerwood, wish to be a party to the following proceedings:
- (a) an appeal by Tussock Rise Limited (ENV-2018-CHC-121) against Stage 1 of the Queenstown Lakes Proposed District Plan, seeking Low Density Residential zoning for its site off Gordon Road and Connell Terrace in Wanaka (Lot 2, DP 477622).
- [2] I am a person identified by Queenstown Lakes District Council as having an interest in the proceedings that is greater than the interest the general public has.
- [3] I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
- [4] I am interested in all of the proceedings.
- [5] I am interested in the following particular issues:
- (a) the rezoning of the Appellant's land from Industrial to Low Density Suburban Residential Zone.
- [6] I support the relief sought because—
- (a) General Industrial & Service zone is not an appropriate zoning for the land;
  - (b) a significant number of existing properties adjoining the land are used for non-industrial activities;
  - (c) there will be reverse sensitivity effects associated with these activities and adjoining industrial activity if the land is zoned for industrial activity;

- (d) a significant degree of open space will be required to mitigate reverse sensitivity effects if the land is zoned for industrial activity;
- (e) there is already sufficient supply of industrial zoned land;
- (f) there is significant demand for residential zoned land;
- (g) the Appellant's land is elevated, prominent and not suitable for industrial activity; and
- (h) Land adjoining the site is already zoned for residential activity.

[7] I agree to participate in mediation or other alternative dispute resolution of the proceedings.

Signed on behalf of Jim Ledgerwood
