Option #1 Minimum layout as per marking policy

Alison Avenue Bus Stop

Installation of new bus stop to allow for children to get on/off bus without being in the live lane.

Installation of standard size bus stop (15.0m x 2.7m) Install BYL taper of 9.0m from bus stop space south, towards entry to shopping complex. 15.0m BYL taper from bus space north, towards shopping complex exit. This design allows for on road parking either side of bus stop tapers

New Bus Stop sign on pole to be installed in footpath in most appropriate location between walkways.

Option #2 Extended BYL removing on road parking, assisting with better traffic flow and improved safety

Alison Avenue Bus Stop

Installation of new bus stop to allow for children to get on/off bus without being in the live lane.

BYL to be installed 25.8m from entry to shopping complex installation of standard size bus stop (15.0m x 2.7m) 25.5m of BYL from exit of shopping complex to bus stop space. Removing existing on road parking.

New Bus Stop sign on pole to be installed in footpath in most appropriate location between walkways.
