MyFundAction New Zealand

About us

Established in 2018, MyFundAction New Zealand is a youth-led, not-for-profit organisation that believes in leading with love, passion, and purpose. We create spaces where young people grow through volunteering and entrepreneurship, discovering their potential while giving back to the community. As part of a global MyFundAction network, we connect New Zealand youth with opportunities to contribute to international humanitarian and social projects, while also serving local communities.

We empower youth to rise as holistic leaders grounded in Islamic values, and we warmly welcome everyone who shares in kindness, unity, and a desire to make the world a better place.

Our Queenstown Lakes community

Our community brings together a wide range of ages, cultural backgrounds, and experiences, creating a space where young people, families, and newcomers feel at home. While rooted in Islamic values, our doors are open to all who share in kindness, learning, and community spirit.

Our centre, MyFundAction Youth Development Centre in Frankton serves as a hub for Queenstown and the wider Southern Lakes and Southland region, with members and friends joining us from Cromwell, Alexandra, Invercargill and beyond. Whether you are here to pray, learn, volunteer, or simply connect, you are warmly invited to be part of our gatherings and initiatives.
