1. The Alpine Group Limited (“the Applicant”) wishes to be a party to the following proceedings:
  - (a) *Lesley and Jerry Burdon v Queenstown Lakes District Council*  
[ENV-2018-CHC-091]
2. The Applicant is a person who made a submission about the subject matter of the proceeding (OS 315) and has an interest in the proceedings greater than the public generally. The Applicant has a range of business interests including Minaret Station, Minaret Lodge and Alpine Helicopters, it therefore has an interest in the proceeding to the extent that it may affect these operations.
3. The Applicant is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
4. The Applicant is interested in the whole of the appeal which is subject to this proceeding.
5. The Applicant opposes the relief sought:
  - (a) Where it undermines the importance of rural land uses to retain landscape character.
  - (b) Where it undermines the protection of agricultural land uses and for them to continue without undue constraints. It is not necessary for this to be removed from the plan in order to provide for management of land that is not being used for agricultural purposes.
6. The Applicant supports the relief sought in so far as it:

- (a) Recognises that other types of development could occur within areas identified as Outstanding Natural Landscapes, particularly where environmental benefits are achieved.
  - (b) Recognises that alternative land uses are required to support the ongoing viability of agriculture within the Rural Zone.
7. The Applicant agrees to participate in mediation or alternative dispute resolution.
